

IMANTHA PIYUMAL

INFORMATION TECHNOLOGY

A passionate and highly motivated graduate from the Sri Lanka Institute of Information Technology (SLIIT), specializing in Information Technology. Dedicated to continuous learning and growth, I am eager to leverage my skills and knowledge in a dynamic and innovative environment. I am committed to contributing to organizational success while further enhancing my expertise in the field of IT through hands-on experience and collaboration. My goal is to make a meaningful impact in the industry by applying cutting-edge technology and problem-solving skills
